Congratulations on the Best Paper Award 2020!

15 May 2020

Dear Dr. Tanaka,

Your paper “**SiC Module Operational at 200 °C with High Power-Cycling Capability by Fatigue-Free Chip Surface Packaging Technologies**” made it: you are the winner of the Best Paper Award of PCIM Europe 2020 – Congratulations!

The welcome speech will be held by Prof. Lorenz, the general conference chair, for the official conference opening and the announcement of this year's winners. Within the next few weeks you will receive more information about the program sequence of the PCIM Europe digital days 2020 and we are happy to prepare you a “PCIM Europe award winner package”.

This is how we are going to put your paper in the spotlight:

- It will be highlighted in the **proceedings**.
- The winners of the Best Paper Award will be featured on our **website**.
- The trade press will receive a **special press release** on the Best Paper Award. We will take your photo and your summary of the content of the paper as well as your personal details from the short biography, which you have already sent to us.

We look forward to meet you online in July and to your presentation at the PCIM Europe digital days 2020.

Kind regards, also in the name of the jurors
