EXPRESS NEWS SERVICE
CHANDIGARH, NOVEMBER 2

THE Panjab University and the National Institute of Advanced Industrial Science and Technology (AIST), Japan, signed a Memorandum of Understanding (MoU) here on Monday.

Dr Girish Sahni, Director general of the Council of Scientific and Industrial Research (CSIR) and Secretary, Department of Scientific and Industrial Research (DSIR), Ministry of Science and Technology, Government of India, Dr

Yoshitomo Ohshima, Director of the National Institute of Advanced Industrial Science and Technology, Japan, and Prof AK Bhandari, Director of the Institute of Advanced Industrial Science and Technology, AIST, signed the MoU.

Dr Girish Sahni, Director general of the Council of Scientific and Industrial Research (CSIR) and Secretary, Department of Scientific and Industrial Research (DSIR), Ministry of Science and Technology, Government of India, Dr

Yoshitomo Ohshima, Director of the National Institute of Advanced Industrial Science and Technology, Japan, and Prof AK Bhandari, Director of the Institute of Advanced Industrial Science and Technology, AIST, signed the MoU.

The two sides agreed to exchange information on research and educational programmes. The two institutes also exchanged knowledge on teaching, learning material and other innovative measures to promote mutual and interdisciplinary research.

They are likely to jointly organize seminars, conferences, workshops, or topics of mutual interest and to invite respective researchers to participate therein.

PU and AIST have also jointly proposed to engage in research and training programmes sponsored by funding agencies and to invite researchers to participate in them. PU and AIST have also agreed to exchange researchers and students for limited period of time for the purpose of research and study on a reciprocal basis.
