

DAILAB@AIST and DAILAB@RCB Meeting

October 22, 2016

SISTER-DAILAB at the Regional Centre for Biotechnology (RCB), Faridabad, India was inaugurated on December 10, 2015. Members of DAILAB@AIST and DAILAB@RCB had a half day brain-storming meeting on October 22, 2016 (Saturday) at RCB, India. Research overview of all the teams at both ends were presented to identify leads for immediate research collaboration(s). Candidates for the 4th Imaging Workshop to be held at AIST (Jan 16-21, 2017) and STAR (Student Training for Advanced Research) Program were also discussed. To further strengthen the relation and networking at researcher/student level, a joint **PIKNIKH** (Platform for Innovating Knowledge to International KnowHow) was proposed at RCB in February 2017. The teams enjoyed lunch together. The meeting was very successful and ended with great gesture of connectivity. The teams are set to perform together and extend their collaboration beyond the geographical borders.
