

CSIR AIST UNION for Science INnovation & INdustrialization Maintaining & EExpanding EExisting Ties

AIST-Tsukuba HQ Building, October 5, 2017

CAUSINS MEET- III

Visit by Council of Scientific & Industrial Research (CSIR), India

October 5th (Thu.) 14:00-17:00 2017

Visitors : 5

(ver. Oct.3)

Time	Events	Persons in charge	Place
14:00	Arrival	AIST	Entrance, Central 1
14:00-14:30	Science Square Tour	Dr. Awazu, Deputy Director	Science Square
Move to the Main Administrative Bldg on foot			
14:30-15:20	CSIR Presentation	CSIR	Meeting Room 10, 6 th Floor, Main Administrative Bldg
15:20-15:40	Overview on the Department of Materials and Chemistry	Dr. Hara, Planning Officer	
15:40-16:00	Overview on the Department of Electronics and Manufacturing	Dr. Ashida, Director	
16:00-17:00	Follow-up of "CSIR-AIST Symposium"	Dr. Kamata, Deputy Director General Dr. Ohmiya, Director Dr. Renu, Prime Senior Researcher Dr. Sunil, Chief Senior Researcher	
17:00	Departure	AIST	Entrance, Main Administrative Bldg

Visitors:

Dr. Santanu Chaudhury, Director, CSIR-Central Electronics Engineering Research Institute (CEERI)

Dr. Harish Hirani, Director, CSIR- Central Mechanical Engineering Research Institute (CMERI)

Dr. Sudeep Kumar, Head, Mission Directorate Council of Scientific & Industrial Research (CSIR) Headquarters

Dr. A Chakraborty, Head, Director General Technical Cell & International S&T Affairs Directorate

Council of Scientific & Industrial Research (CSIR) Headquarters

Dr. Purnima Rupal, Counsellor (Science and Technology), Embassy of India, Tokyo

AIST :

Dr. Youichi Kamagata
Deputy Director General, Research Promotion Division of Life Science and Biotechnology,
Department of Life Science and Biotechnology

Dr. Yoshihiro Ohmiya
Director, Biomedical Research Institute, Department of Life Science and Biotechnology

Dr. Renu Wadhwa
Prime Senior Researcher, Biomedical Research Institute, Department of Life Science and Biotechnology

Dr. Sunil Kaul
Chief Senior Researcher, Biomedical Research Institute, Department of Life Science and Biotechnology

Dr. Nobuo Hara
Planning Officer, Research Planning Office of Materials and Chemistry, Research Promotion Division of Electronics and Manufacturing, Department of Materials and Chemistry

Dr. Kiwamu Ashida
Director, Research Planning Office of Electronics and Manufacturing, Research Promotion Division of Electronics and Manufacturing, Department of Electronics and Manufacturing

Dr. Koichi Awazu
Deputy Director, Collaboration Promotion and International Affairs Division, Research and Innovation Promotion Headquarters

Dr. Kazuhiro Yamamoto
Manager, Global Collaboration Office, Collaboration Promotion and International Affairs Division, Research and Innovation Promotion Headquarters

Ms. Yuko Fukushima
Staff, Global Collaboration Office, Collaboration Promotion and International Affairs Division, Research and Innovation Promotion Headquarters

Marked by...

Initiation of interest in

- *Materials and Chemistry*
- *Electronics and Manufacturing*
- *Memories of CAUSINS MEETS I & II on Life Sciences at CSIR HQ (Delhi)*
- *Commitment to move on Life Science projects*
- *Joint Workshop Plan in Feb-March 2018*
