

# Mentor Meeting- 19

## 2018-01-04

Sunil KAUL, Renu WADHWA, Durai SUNDAR and Vidhi MALIK

- Discussed a paper entitled “**Identification of curcumin-inhibited extracellular matrix receptors in non–small cell lung cancer A549 cells by RNA sequencing**”.
- Discussed the strategy for addressing multi-module action of our natural compounds.
- cDNA array data will be shared with Vidhi, along with background information of experiments conducted for analysis
