

AIST (Japan) – IIT Delhi (India) Introductory Symposium &

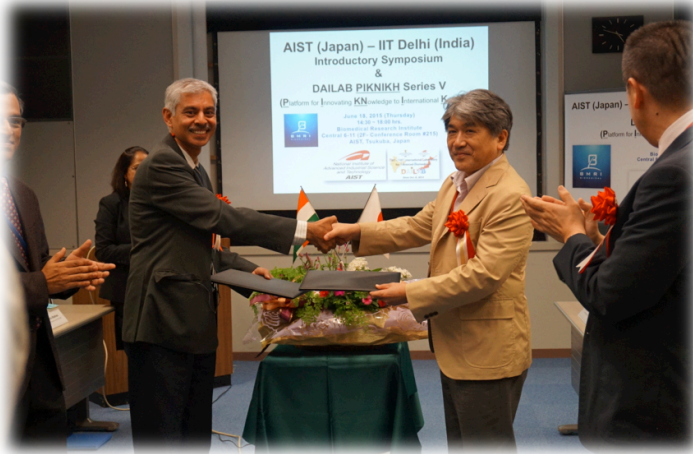

DAILAB PIKNIKH Series V

(Platform for Innovating KNowledge to International Know How)

June 18, 2015 (Thursday)

14:30 ~ 18:00 hrs.

Biomedical Research Institute
Central 6-11 (2F- Conference Room)
AIST, Tsukuba, Japan

AIST (Japan) – IIT Delhi (India)

Introductory Symposium &

DAILAB PIKNIKH SERIES V

(Platform for Innovating KNowledge to International Know How)

June 18, 2015 (Thursday)

14:30 ~ 18:00 hrs.

Biomedical Research Institute

Central 6-11, Room #216

AIST, Tsukuba, Japan

PROGRAM

14:30 - 15:00	Registration
15:00 - 15:05	Welcome Address - Dr. K. Matsuoka
15:05 - 15:15	Introduction of AIST and International Activities - Dr. K. Awazu
15:15 - 15:25	Introduction of Department of Life Science & Biotechnology - Dr. Y. Kamagata
15:25 - 15:45	Introduction of IIT Delhi - Dr. S. K. Koul
15:45 - 15:55	Introduction of Biomedical Research Institute - Dr. Y. Ohmiya
15:55 - 16:05	Introduction of DAILAB - Dr. S. Kaul
16:05 - 16:15	Research and Development Strategies in IIT Delhi - Dr. S. Tuli
16:15 - 16:30	Exchange of Agreement of Collaboration
*Prof. Suneet Tuli, Dean, Research & Development, IIT Delhi (India)	
*Dr. Yoshihiro Ohmiya, Director, Biomedical Research Institute (Japan)	

Photo Session & Light Tea

16:45 - 17:10	BMRI - IIT Delhi Collaboration: Past Five Years Dr. D. Sundar
17:10 - 17:35	DAILAB - Research Topic 1 - Little worms in neuronal research and diseases- Dr. M. Doi
17:35 - 18:00	DAILAB - Research Topic II - Bioactivities in Ashwagandha leaves- Dr. R. Wadhwa
18:15 - 19:45	Reception and Networking at AIST-2F Restaurant
19:45	Closing Remarks - Dr. N. Yumoto

Participants

Indian Institute of Technology Delhi (IIT Delhi), India

Prof. Shibani K. Koul, Deputy Director
Prof. Suneet Tuli, Dean, Research & Development
Dr. Durai Sundar, Associate Professor

National Institute of Advanced Industrial Science & Technology (AIST), Japan

Dr. Katsunori Matsuoka, Vice-President, Director General, Department of Life Science & Biotechnology
Dr. Yoichi Kamagata, Deputy Director General, Department of Life Science & Biotechnology
Dr. Noboru Yumoto, Fellow, AIST
Dr. Koichi Awazu, Deputy Director, Global Promotion and International Affairs Division
Dr. Yoshiaki Onishi, Director, Research Planning Office
Dr. Yoshihiro Ohmiya, Director, Biomedical Research Institute (BMRI)
Dr. Sunil Kaul, Chief Senior Researcher, BMRI
Dr. Dr. Renu Wadhwa, Prime Senior Researcher & Head, DAILAB, BMRI
Dr. Motomichi Doi, Group Leader, BMRI
DAILAB and BMRI members
Global Promotion and International Affairs Division members
