

International Workshop on the Sustainable Actions for “Year by Year Aging” under Reliability Investigations in Photovoltaic Modules, 2016

SAYURI-PV 2016

<Notices to Authors>

For All Authors:

The presentation materials (presentation slides / posters) will be uploaded on our web site, under the respective author’s permission. The access to this web site will be limited to the participants of this workshop until end of March, 2017. After that, this web site will be open for free access by any visitors, to contribute the global progress in this research field.

Under your kind consideration, we would like to have your permission to upload your presentation material(s). If you permit the upload, please submit the disclosure permission sheet when you attend this workshop.

For Oral Presenters:

The computers in the presentation rooms will be Windows-based PC with Microsoft Power Point 2007 installed. Each speaker can bring the presentation on CD-ROM, Memory Stick, or SD Card. Presentations should be reviewed to ensure the fonts are displayed correctly, prior to your presentation.

For Poster Presenter:

The area available for the poster is limited to a rectangle 180 cm tall by 120 cm wide. Please make sure the poster fits within the allowed display area. Poster boards will be available when the “Registration” opens on October 4th, 2016. All posters should be exhibited until the end of this workshop. Specific locations and presentation time for your poster will be available on the program leaflet which will be distributed at registration counter.

If you have any questions about this workshop, please do not hesitate to contact us (sayuri-pv-sec-ml@aist.go.jp).

We are looking forward to seeing you in Tsukuba, JAPAN.

Sincerely Yours,

=====
