

BEST POSTER AWARD

presented to

Daichi Suzuki

National Institute of Advanced Industrial Science and Technology (AIST)

for the poster entitled

"Optical post-processing for local alignment and chirality control in CNTs"

presented at

The 26th International Conference on the

Science and Applications of Nanotubes and Low-Dimensional Materials

Berlin, August 23–28, 2026

and selected by the conference award committee in recognition of its outstanding scientific quality and presentation.
