

The 3rd International Symposium on Advanced Composite Materials / The 11th Clayteam Seminar

Date and Time : Nov. 13(Tue), 2012 10:30-15:45 *Reception Starts 10:00-

Venue : AIST Waterfront(2-4-7, Aomi, Koto-ku, Tokyo 135-0064, JAPAN)

*Language : English < Symposium & Poster Session >

[Program]

- 10:30-10:35 The 3rd International Symposium on Advanced Composite Materials /
The 11th Clayteam Seminar @Conference Room1 (11th Floor, Waterfront-Annex)
【Theme】 "Monodzukuri for an Era of Global Competition"
【Opening Remark】
- 10:35-11:10 **【Chairperson】** Dr. Takeo Ebina(Leader, Advanced Functional Materials Team, Research
Center for Compact Chemical System, AIST)
【Speaker1】 Keynote
"Standardization for Nano-technologies in an Era of Global Competition "
Dr. Shingo Ichimura (Senior Vice-President, AIST)
- 11:10-11:30 **【Speaker2】**
"Development of Incombustible Clay Film"
Mr. Daisuke Misho (Chief, Technical Office, SUMITOMO SEIKA CHEMICALS Co., Ltd.)
- 11:30-13:00 Lunch Time
- 13:00-13:50 **【Chairperson】** Dr. Yoshito Wakui (Advanced Functional Materials Team, Research Center
for Compact Chemical System, AIST)
【Speaker3】
"Industrial overview, Latest Developments and Future Prospects for –Natural and Synthetic Clays"
Dr. David Shaw (Technical Manager, Additives Europe, Rockwood Additives Ltd.)
- 13:50-14:00 Break
- 14:00-14:30 **【Speaker4】**
"Application of Clay Film to Light-Emitting Devices and Solar Cells"
Dr. Shanmugam Venkatachalam (Special Reseacher, AIST)
- 14:30-14:35 **【Closing Remark】**

14:40-15:45 **【Poster Session】** @ Lobby (11th Floor, Waterfront-Annex)

17:00-19:00 [Get-Together-Reception] *Reception Starts 16:30-

Venue : Sky Restaurant Seagull, 11th Floor, Time 24 Building (In front of AIST Waterfront)

Fee : 5,000yen
